## Veterans' One Day 'Spiel Proves Highly Successful

### FASTER SERVICES AT REDEEMER LUTHERAN

On Good Friday we pay tribute to our blessed Redeemer, who on Golgotha's grim and gory cross bowed His head in death for the sins of all mankind. Go to Golgotha and see with your own mind, eye what happens at a crucifixion. The upright timber, usually about 10 feet in length, is firmly planted in the ground. The victim's hands are tied, one to each side of the cross-beam, and then nailed to the wood. That beam is then raised, often with the help of a ladder, and affixed to the upright timber. To complete the fierce, barbaric cruelty the feet are placed on a rest and likewise bored through by one nail or two.

You are invited to attend the Good Friday service at Redeemer Lutheran Church on Friday at 11 a.m. The sermon topic will be: "The Death of Jesus — Reason and Faith."

From this scene ye turn to Easter. As no other day in the course of the calendar does Easter flood the souls of men with grace and peace and blessings. The reason for this lies in the fact that the open tomb pours forth showers of blessings upon all men.

Redeemer Lutheran Church also invites you to attend the Easter service on Easter Sunday at 11 a.m. The sermon topic will be: "The Lord Is Truly Risen."

## Easter Time

There is probably no other holiday, or holy day, not excepting Christmas, which causes such an upsurging of hope in the thoughts and minds of those who call themselves Christians. All the hopes of that season on "time" had been built on the coming of a Saviour who had, in the course of a short lifetime, suffered injury and insult and eventual death. But, in spite of all this, he had promised his resurrection and it had happened — and all the promise which began with the birth of the Christ Child was fulfilled.

This holy time has been called Easter and is observed on the first Sunday following the paschal full moon, and this word "paschal" links up the old with the new testament in that it is derived from the Chaldee word Pascha, the equivalent of the Hebrew word Pesach. That name recalls the act of the Destroying Angel in passing over "the households of the Hebrews" when he smote the Egyptians. So that this Easter festival commemorates the resurrection of Jesus Christ and the Hebrew celebration of the original "Passover".

That it falls in the spring of the year, makes Easter fundamentally a season of hope. All the trivial bits of ceremony which we have come to associate with Easter have, in their way, a significance. The baby animals, the first spring flowers, the candy Easter eggs, even the Easter finery, are marks of a new and happier season. The winter snow and ice is going; new life is breaking through the cold earth on every side; the lambs are out on the hills and buds are straining to burst their bonds.

Easter is a happy and hopeful time, never more welcome than today with its promise of its fulfillment of an even older promise of life everlasting.

## Through The Study Window

By REV. C. C. ARMSTRONG

Our church-wide lenten project is to provide food for the world's hungry, particularly in India and Korea. The cease-fire in Korea has not ended the urgent need for help. More than 9,000,000 people, refugees and others, need practical aid and a means of livelihood. The armed services have been feeding 300,000 refugees in Seoul alone. There are 350 welfare institutions containing 30,000 children and 4,000 mothers. Some refugees are forced to eat grass roots and tree-bark, with not enough even of this even to go around. There are over 100,000 orphans, and only about 40,000 are in orphanages.

Refugees in settlements and orphanages receive a government ration of food-grain, which is below the real need. Korea is being helped but there are millions who live on a starvation or subsistence basis. Mrs. Hugh Taylor, overseas secretary of the Woman's Missionary Society of the United Church visited Korea. She reports: "The Korean people are courageous and independent and self-reliant. A great deal of the acute suffering is found outside of the homes of those who get relief rations, among the people who are struggling to be independent. Many of these are Christians."

The need in India has not been brought so much to our attention as that in Korea. Church World Service reports that "Uninterrupted drought for the last seven years has produced great hardship in India and Pakistan. The normal average is two drought years out of five." In other portions there are disastrous floods, where the mountain rains result in flooding of much valuable crop areas, and damage worth millions of rupees. A middle-aged Hindu, talking to a European newspaper correspondent remarked: "If we don't span a century in the next ten years, we're lost. The people want food

## WEDDINGS

MITTON — JANS

A very pretty wedding was solemnized at Redeemer Lutheran Church on March 27, when Ella Freda, second eldest daughter of Mr. and Mrs. E. Jans of Didsbury, became the bride of Joel Cleveland Mitton of Alma, New Brunswick.

The ceremony was performed by Rev. E. B. Fox before the altar decorated with daffodils. Mrs. Fox played the wedding music.

The bride, given in marriage by her father, was gowning in white satin, lace and net, trimmed with seed pearls and sequins. Her long embroidered veil was held in place with a coronet trimmed with pearls and sequins and she wore a pearl necklace and earrings. A gift of the

first, then homes and a reasonable chance of survival."

Amongst the Bhil people, where our church has its field of service, there is often but one meal a day, and that composed of roots and green leaves of certain plants. Food sent to India under Church World Service and money made available by the overseas Mission Board has made it possible to render a real service to hundreds of starving villagers. The Indian government has projects, such as irrigation, which will increase food production and has already done so by 5,000,000 tons, but the ultimate objective is to raise this by an additional 20,000,000 tons.

Rev. Dr. C. Andrew Lawson, now of Toronto, declared in a sermon on February 7th that "Feeding the world's hungry is not just a political problem; it is a spiritual problem of the first dimension. Yes, one of the first matters of importance in winning this world to Christ is to feed the hungry, for you can't preach the full gospel to people with empty stomachs." Special offering envelopes for this project will be available for Easter, at all points in the pastoral charge.

groom. She carried a cascade bouquet of red roses.

The bride's attendants were her sisters, Alvina, as matron of honor, and Irma and Bertha as bridesmaids. The former wore a taffeta and net gown of rose made similar to the bridesmaids and wore flowers in her hair, and carried a bouquet of yellow carnations and red roses.

Bertha and Irma wore identical gowns of satin and net. Bertha in blue with a wreath of flowers in her hair and carrying pink carnations and yellow roses. Irma wore a yellow gown with a wreath of flowers in her hair and carried mauve carnations and yellow roses.

The groom was attended by George Pieper, with Arthur Reinhardt and Kenneth Bereth acting as ushers.

During the signing of the register Lily Reinhardt and Mrs. G. Pieper sang a duet, "The Wedding Prayer." They were dressed in similar gowns of mauve and green respectively with wreaths of flowers in their hair.

A reception followed in the church basement, decorated with streamers, bells and artificial roses, colors of all the gowns. Tables were set for 45 with Erna, Betty and Dorothy Reinhardt serving. Rev. Fox proposed the toast to the bride with the groom responding.

For travelling the bride wore a grey suit with red accessories and a corsage of white carnations. Upon their return from Calgary and other points the happy couple left in their trailer for Pincher Creek, where the groom is employed with an oil company.

Didsbury W.I.  
April Meeting

The Didsbury W.I. met at the  
home of Mrs. G. Bitter with 16  
members, one new member and  
one visitor present. The meeting  
opened with O Canada and the re-  
peating of the creed.

Roll call was answered by naming  
a favorite flower. It was stated  
that \$35 was made at the food sale  
on March 13. Correspondence in-  
cluded a report on the Drumheller  
conference which was sent in by  
Mrs. A. L. Hogg.

Agriculture and Canadian Indus-  
tries was given by Mrs. Edith  
Wahl. She chose as her subject  
Straw and tree planting. Straw is  
manufactured at Innisfail and is  
made of straw. It has many such  
uses such as roofing, partitions, in-  
sulating, used as a stucco base and  
in many other ways.

Mrs. E. Clark gave a contest as  
the "bit of fun", which was won by  
Mrs. Helen Shannon. The 10-cent  
draw was won by Mrs. Marge  
Orange.

Secret Pal gifts were then hand-  
ed out to those having birthdays in  
April. A miscellaneous auction  
sale was next with Mrs. Wahl  
drawn as auctioneer. With lots of  
fun and laughter the sum of \$8.55  
was realized from this sale.

Red Cross sewing was turned in  
and Mrs. Pieper offered to take  
charge of the Red Cross material.  
The May 5th meeting will be at  
the home of Mrs. A. Ester. Roll  
call will be wearing a flower for  
mother and giving a wash cloth for  
Korea.

AGRICULTURAL  
SERVICE  
BOARD  
NOTES

Occurrence at Lacombe: How long  
can 2-4-D stay in the soil? What  
effect on later crops is suggested  
by an incident at the Lacombe Ex-  
perimental Station this winter. Mr.  
Steffox, agronomist in charge of  
forage crops, made an interesting  
discovery. He noticed that the  
leaves on some of the flower stalks  
were starting to curl inwards, and  
later, some of the flower stalks  
were twisted.

Specimens were sent to Edmon-  
ton and Lethbridge for examination  
by plant pathologists there. Re-  
ports suggested that 2-4-D might be  
the cause. No 2-4-D had been  
used in that greenhouse, so the hunt  
for the source of trouble began.  
Suspicion turned to soil. A pile of  
good black earth is kept outside the  
greenhouse for use in the potting  
mixture when plants are started. It  
was learned that some of the soil  
had been removed as sod from a  
lawn that had been broken in 1952.  
Earlier that year, the lawn had been  
sprayed with 2-4-D for dandelion  
control. This was the soil in which  
the plants had been potted. This  
apparent residual effect of 2-4-D  
in the soil is something not before  
accurately diagnosed.

It is worth keeping in mind. It  
might help to explain some of the  
puzzling abnormalities that occur  
in garden or greenhouse from time  
to time.

## DISTRICT NEWS

### ZELLA NEWS NOTES

(From Our Own Correspondent)

Mrs. Earl Hamilton (Justine Harder) of Fort Macleod, while visiting at her parental home the past week was the guest of honor at a bridal shower held at the Zella school Wednesday evening, April 7. The evening was spent in games and contests. Mrs. John Harder and Miss Doreen Harder assisted in the unwrapping of many lovely gifts for which Mrs. Hamilton graciously thanked everyone.

Mr. Harry Elliott and Mr. Jim Byrn of Calgary called at the A. Waldroff home on Monday afternoon of last week.

Mrs. A. Oppen left on Tuesday for Edmonton to visit at the home of her son and daughter-in-law, Mr. and Mrs. Andy Oppen, and will spend some time at Camrose.

Howard Christensen, son of Mr. and Mrs. H. Christensen, was among the second year students taking part in the graduation exercises held at the O.S.A. on Wednesday, April 7.

In spite of bad roads, the Zella W.I. had 11 tables in play at their final whist party, with Mrs. M. Knights as hostess. Honors went to Jim Johnston, playing as a lady, and Joe Ness for the gentlemen. Consolations went to Vydelle Ness and Mike Knights. Door prizes were won by Muriel Eggen and Joe White. The ladies wish to express their appreciation for the splendid support given the W.I. card parties throughout the winter.

Mr. John Hansen will hold his Legion card party at the school, Thursday evening, April 15. Please note correction of date.

Miss Vivian Eggen received a seven pound ham as the winner of a split bingo at the Innisfail car bingo on Wednesday night.

### PLAY TO BE PRESENTED AT EVANGELICAL CHURCH

A service of special interest to all will be held in Zion Evangelical Church this Wednesday evening at 8 o'clock when a group of students from Hillebrand Bible Institute will present the play, "The Rose on the Dial."

The question that led Irving W. Arnold to write this play was "Does the Christian find a personal faith in a clock when a group of students from Hillebrand Bible Institute will present the play, 'The Rose on the Dial.'"

The story is set in the 4th Christian century and portrays a girl who loves Christ and a man who does not understand. Hate and anger play their part in this drama, as do sacrificial love and victorious loyalty to Christ.

### WALTHER LEAGUE HOLDS REGULAR MEETING

The April 6th meeting of the Walther League opened with a hymn and short devotion. The topic, "Worship," led by Oscar Reinhardt, proved very interesting and educational.

A report was given on the tea and Albert Visual Arts and Handicraft display which was sponsored in March. It was reported that the spring rally of the Southern Alberta zone will be held on May 24 in Claresholm.

A special order of 2 sweaters has been received. These neat sweaters are white with black and gold trim.

A small cupboard is to be made to hold all League books and magazines. The meeting closed with the Walther League song and the Lord's Prayer.

### M.V.B.C. NEWS

The last week of College has come. On Wednesday the final examinations will keep the students busy, but from then on activities will be centred about baccalaureate and commencement. It has been a good year and our students have expressed their appreciation for the work given them during the year. We are hoping that each one will find a place of real usefulness in his own home church, or in the community where he is secured.

During the weekend the A. Capella Choir toured Edmonton and Redwater, singing four times. They have reported good congregations and a good reception by those who invited them. Mr. Lusk will be representing the choir to the Didsbury community next Tuesday evening. We would invite the entire community to hear them sing in the United Missionary Church as advertised on the posters.

On Thursday evening, last Mr. Lusk and Miss Mariene Shurman gave their joint piano and voice recital in the United Missionary Church. They were at their best and the large audience deeply appreciated the rendition of piano work given by Mariene. The voice numbers were splendidly interpreted.

Last Tuesday evening the College was honored with the presence of the Scout troop under the leadership of Mr. Waldin of the College. Scouts and their parents were invited to a splendid banquet provided by the mothers of the boys. Mr. Harold Oke was master of ceremonies for the evening. A high mark of respect and appreciation was accorded Mr. E. Wiggins, principal of the local high school, when the Boy Scouts unanimously chose him as speaker for the occasion. We were not disappointed in their choice. Mr. Wiggins gave a resume of his attendance at the International teachers conventions which he was able to attend during the years when he was president of the Canadian Teachers' Federation. To have mingled with teachers from every country in the world, and to have discussed freely with those of war-torn and communistic-ridden countries, gave Mr. Wiggins an insight into the value of our educational system with its standards and objectives that would be difficult to attain otherwise. The attention of the entire group was marked and we believe that all who heard him will not soon forget the challenge of the hour that he presented. Several of the Scouts explained the values connected with each of the Scout symbols that decorated the tables. Two Scouts received further recognition by being presented with symbols by the Scoutmaster, Mr. Waldin.

The campus will soon be deserted save for a few who will be living here during the summer months. The president, Rev. Taylor, will be taking several meetings again, but we know that the many friends in the district will again plan to help as much as they can for the coming school year.

The annual editor of the College Compass reports that the school publication is almost ready for distribution. Perhaps yours will be in your hands within the next 10 days. Any who have not subscribed may still do so.

### ENGAGEMENT ANNOUNCEMENT

Mr. and Mrs. R. J. Dodderidge of Calgary announce the engagement of their daughter, Shirley Margaret Ellen to Mr. Cecil Papke son of Mr. and Mrs. H. Papke of Didsbury. Marriage will take place May 8 at 2 p.m. in Sacred Heart Catholic Church, Calgary.
